## Manning Sampler Support Policy

Manning provides support for the following models based on the guidelines below:

### Full Support

Samplers are fully supported for factory repair and parts.

- MSP250** Manual Sampling Pump
- PSB4** (PSB-14) Samplers with battery underneath control panel (2001 or later)
- PST8** (PST-5500) Samplers
- S-5000** Samplers (May 1958 to present)
- S-5200** Samplers (May 1985 to present)
- VSR** (VSR-1000) Samplers with air cylinder pinch (2001 or later)
- VST** (VST-7750) Samplers with air cylinder pinch (2001 or later)
- YB8** (YB-38) Samplers.

### Limited Support

Samplers are accepted for factory repair, parts availability may be limited.

- PSB-14** Samplers (early version - with 2.3aH batteries)
- VSR** Samplers with electric pinch
- VST** Samplers with electric pinch
- GC8** (GC-38) Samplers
- S-5000** Samplers manufactured prior to May 1985
- S-5200** Samplers manufactured prior to May 1985

### Limited Support Parts Only

Samplers are not accepted for factory repair, parts availability is generally very limited.

- S-3301/3300** Samplers
- S-4040** Samplers
- S-4050** Samplers
- S-4401/4400** Samplers
- S-4501/4500** Samplers
- 4900** Samplers
- 6900** Samplers
- 4901** Samplers
- 6901** Samplers

### Not Supported

Samplers are no longer supported for repair or parts.

- PS-600** samplers
- S-3000** samplers
- S-4000** samplers
- S-6000** samplers

### Obsolete Flow and Level Products

Manning does not support any of the level or flow equipment that was manufactured by Manning Technologies or Texas Nuclear (TN) Technologies. This includes, but is not limited to, the F-2000, F-3000, 580, 680, 880, 1100 and 2102 products. Manuals for some of the discontinued products are available for download on our web site. They are provided for reference purposes only.

If you have questions about parts and service for your Manning sampler, please contact our service department at (800) 863-9337 or [service@manning-enviro.com](mailto:service@manning-enviro.com).
